WE CARE

about our turkeys

We set the industry standard in caring for turkeys. As a result, each of our products bears the American Humane Certified™ seal.

about the environment

Agriculture is what we do, so we are committed to protecting the planet and preserving the natural resources we rely on.

about your customers

As America's favorite turkey brand¹, we lead the way in bringing quality and variety to your menu with all-natural, no-antibiotics-ever products so you can give diners what they want.

¹Kantar Q4 2020 Custom Brand Equity Study.

our process makes a difference

We control every aspect of the production process, including producing our own feed, raising our birds and processing. It's why we can ensure you receive the highest quality products, time and time again.

your resource for turkey and so much more

With more than 60 years in the business, we know the foodservice industry, from the latest trends to your everyday challenges. We're here to share key insights as well as recipes and inspiration to give diners the variety they crave.
